Picture No 2. The little swimming marathon Kintai – 2 km distance

4. The participants of the competition and registration

1. The competition is open and individual, citizens of the Lithuanian Republic and other countries may take part in it.
2. The limit of the participants in 10 km distance – 30 participants, in 2 km distance – the number of participants is unlimited.
3. The age of the participants of the competition:
 1. 10 km distance marathon: 18 - 46 years and older than 45 -59years, and older than 60

2. 5km. distance marathon: 16years old and older.
3. 2 km distance marathon: 14 years old and older.
4. The registration of the participants of the competition should be sent by e-mail: **kaunotakas@gmail.com until July 6th**. Entry form is attached (Annex No. 1).
5. The participant of the competition when registering should submit the official document (in PDF format), which is to confirm the achieved result in 5 km swimming distance. Only then he receives the approval of the organizers for the permission to take part in the **KMM - 2019**. In the Lithuanian Republic the control time of 5 km distance can be fixed at Šveicarijos Joninių swimming marathon (June 22, 2019), Lampėdžių swimming marathon (July 6, 2019) or the official result achieved in 5 or 10 km marathon distance in 2017-2019.
6. When registering it is necessary to submit the copy of the entry fee payment .

5. The course and rules of the competition

1. The competition will be conducted under the similar FINA rules of open waters <https://www.fina.org/content/ows>.
2. Every participant who comes to take part in the marathon must register repeatedly (for 10 km distance – in Hotel “Ventinė”; for 2 km distance - Kintai, Uosto str.)
3. Before the marathon the participants will be instructed about the course of the competition. They will be given the electronic bracelets, which are to be kept safe during the competition and should be returned back after having finished the distance and after having fixed the result.
4. The participant of the 10 km distance is accompanied by a person in a canoe who will be responsible for the safety of the participant in the water during the marathon and helps the participant to orientate in the route. Every participant is supplied with water and sport supplements. Every participant should provide himself with individual extra food ration. In case of health disorder or having stopped swimming the participant is transported to the boat.
5. 5 min until the start it will be announced every minute how much time is left until the start. The start for the marathon will be given by a sound signal.
6. By the limit of 5 km distance, near the boat, the control time of the 5 km distance will be fixed up. The time limit – 90 min.
7. During the marathon the participants and the accompanying persons should not disturb other participants to swim and should keep the order. It is forbidden for the participants during the marathon to use the additional swimming equipment (hand and feet fins). If violation of rules is observed, the participant is disqualified.
8. The participant of the marathon finishing the distance should cross the marked finish line in order to fix the exact swimming time.
9. In case of health disorder during the marathon the participant should inform the accompanying person or the supervising staff as soon as possible.
- 1.10. The participants will be informed about the swimming results after the marathon is over.
- 1.11. The use of hydro and swimming costumes:
 1. Hydro-costume is compulsory when the water temperature is below 19 °C .
 2. When the water temperature is 19 °C and higher, - swimming costumes and shorts of knitted fabric.
